SERVICE OPTIONS & CONTRACT PRICING

B&B Pet Stop can provide service to you in several ways:

ONE TIME VISIT

No contract, no obligation. This is perfect for the busy hobbyist, a quick cleaning right before a party, or when on vacation. Makes a GREAT gift!

CONTRACT

Here, we provide guaranteed, **scheduled** service once or twice a month at a lower price. Since prices are subject to change, contracts allow you to lock in prices for one year. Without a contract, service is performed as time permits.

NOTE: In order to be considered under contract, B&B Pet Stop must have a signed agreement on file as well as first and last month's service fee.

For our customers under contract, we have a

90 Day FULL REPLACEMENT Livestock Guarantee.

This guarantee is valid as long as B&B Pet Stop maintains the aquarium, stocks the fish on a cleaning visit, and when **supplementation and feeding are performed as directed by the maintenance technician.**

All livestock and aquarium products must be purchased from B&B Pet Stop. ANY deviation from these terms voids this guarantee.

EMERGENCY AND AFTER HOURS SERVICE

A charge of \$60.00 per hour (minimum 1 hour) will apply to all emergency service calls or additional service calls due to conditions beyond our control.

This is NOT an aquarium cleaning visit.
